# LAWYER

## SPECIALISING IN LIABILITY INSURANCE

### WHAT ARE YOU GOING TO DO?

- Bring in legal knowledge in different lines of liability products (liability insurance for attorneys, doctors and other regulated professions, construction, etc.),
- Revise and develop liability products based on best legal and market practices,
- Identify legal risks in product terms and conditions,
- Propose reasonable solutions balancing legal risks and customer needs,
- Create insurance terms and conditions and other liability product documentation,
- Consult and train Sales and Claims colleagues on product details.

### WHAT DO WE EXPECT FROM YOU?

You are

- willing to learn insurance and underwriting,
- driven by the desire to develop and improve,
- interested to understand customer needs, market trends and drive changes,
- able to work in dynamic environment and keep business focus.

You have

- University degree in Law,
- good social skills,
- analytical thinking and ability to understand basic mathematical concepts,
- ability to negotiate and write in English and Latvian.

Experience in insurance will be considered as advantage.

### OUR PROMISE TO YOU

- Training and mentoring program to ensure smooth start,
- Exciting tasks and opportunity to develop your expertise in insurance area,
- Supportive and professional colleagues sharing experience and best practice across If in Baltic & Nordic region,
- Monthly salary: EUR 2200 – 3500 gross based on qualifications and benefits.

Please send your CV and application letter in English  
to [personals@if.lv](mailto:personals@if.lv) with password "Liability insurance".
